Copy of letter from the President, Taluk Board, Harpanahalli, Ref.C.R.No.777/1927, dated the 18th December 1930:-

I have the honour to state that there is a choultry called "Babu Rao choultry" at Hampasagar. The chatram is an endowed institution under the management of this Taluk Board. The choultry has several inam lands attached to it. The lands are leased out once in 5 years and the income has been utilised for the upkeep of the choultry. It is a long standing practice that the arrears of income due in respect of these lands have been collected by the Tahsildar of Hadagalli in whose jurisdiction the lands are situated. Now that there are certain arrears pending clearance, the Tahsildar is indifferent towards their collection, saying that the collection of such amounts is not one of the items of work to be done by the Revenue Department for local boards, as per Board Proceedings No.47 Press, dated 23-6-1924. But, I see from the appendix to the G.O.No.829 Finance, dated 1-12-1928, that income from certain endowments vested in local bodies is one of the items of local board revenues to be collected by officers of the Revenue Department. The rent due in respect of each inam is very small which can easily be collected in instalments by the village officers along with land revenue collections, unlike the Local Fund Department, which has to recover the amount only through a civil court at much cost and labour. I believe that under the above considerations and with the object of facilitating the collection of such amounts of endowments, the Government have been pleased to direct the inclusion of this item in the list of items of local fund revenues collected by officers of the Revenue Department. I request the favour of orders of Government whether my presumption is correct.
